Dear Mr. Weisberg,

Although, I was only three years old at the time at the murder of President Kennedy. I have a great interest in it. I own and have read many books concerning the assassination. Many of which you have written and I own several of your books. I am currently reading CASE OPEN. However, I don't fully understand why this tragic thing happened. I would appreciate if you might be able to give me your opinion about who did this tragic thing and why.

I have enclosed a self stamped self addressed envelope for you to use. I would appreciate any information that you might give me.

Sincerely,

Tammy Koontz
